

## 3D Scanning Technologies Media Kit

**Who Are We?** 3D Scanning Technologies is the first and only community dedicated exclusively to the 3D scanning and imaging industry. As an advertiser in this industry, you now have a way to target your market head on. While others have occasional or limited coverage of the 3D imaging industry, only ours has the in-depth news and information that attracts and retains readers. Our passion is to educate readers about every facet of this industry and in doing so, we aim to help grow the size of the market for 3D digital imaging products and services.
